

Lifesaving Society Wading Pool Attendant Certification Courses

Open only to current City of Toronto recreation staff.

Pre-requisite to take this course:

Current Standard First Aid from one of the recognized agencies (see below)

Important Information: As the Lifesaving Society only accepts Standard First Aid certificates that are recognized by the Ontario Public Pools regulation (565/90). Staff **must hold** one of the following current Standard First Aid Certificates in order to be eligible to register for these courses:

Lifesaving Society Standard First Aid
Canadian Red Cross Standard First Aid
St John's Ambulance Standard First Aid
Canadian Ski Patrol Standard First Aid

Standard First Aid certifications from any other agencies will not be honored and staff will be turned away from the course.

Staff must show proof of their recognized current Standard First Aid certification at the start of the course.
