### Local 79 meeting with City today re: Recreation Workers

CUPE Local 79's Bargaining Committee is meeting today with City negotiators to discuss the rejection of the City's contract offer by Local 79's Recreation Workers Part-Time Unit.

The meeting comes a day after Local 79 President Tim Maguire urged the City to come back to the table and negotiate solutions, rather than forcing their demands, as Local 79 continues to focus on the outstanding issues that matter most to Part-time Recreation Workers.

Please stay tuned for more information as Local 79's Bargaining Committee returns to the bargaining table in an effort to reach a fair deal that members from the Recreation Workers Part-Time Unit can accept.

### Press Release on Ratification Vote
