Special Events on Nathan Phillips Square Guidelines on Security

I. Purpose

The purpose of this policy is to outline how event organizers may provide security for their own equipment during events on Nathan Phillips Square.

II. Background

Municipal Code Chapter 237, governing the use of Nathan Phillips Square, prohibits the use of the Square for commercial purposes and further states that all events must be free and open to the public. As a result most event organizers are charitable foundations, non-profit and community groups, or are groups consisting in part of charitable, non-profit or community groups with a corporate sponsorship component.

III. Policy

It is the policy and mandate of the Facilities and Real Estate Division, Corporate Services Department to facilitate and support events taking place on Nathan Phillips Square.

From time to time events occurring on the Square will have security requirements over and above those routinely provided by the Facilities and Real Estate Division's Security Unit during an event.

Event organizers are free to determine their security needs and how these needs will be met in order to protect their own equipment as long as these arrangements are determined in consultation with the Supervisor Buildings Security, Central Portfolio, Facilities and Real Estate Division at 416-392-1013.

In a case where these needs can be met by a volunteer from within the organizing body (i.e., a person who received no remuneration for their services) or where a contract security company donates their services to the organization stating an event, the organized will be required to confirm this, in writing, to the Supervisor Buildings Security, Central Portfolio, Main Floor, City Hall, 100 Queen Street West, Toronto, Ontario, M5H 2N2.

In the event sufficient City Security staff are not available to meet the organizers' requirements, the organizers will be encouraged to hire external security companies with the approval of the Supervisor Building Security and the Special Event Supervisor. They will be required to notify the Facilities and Real Estate Division, by phone or email *and* in writing, prior to the event. Notification should be sent to Supervisor Buildings Security, Central Portfolio, Main Floor, City Hall, 100 Queen Street West, Toronto, Ontario, M5H 2N2.

Where event organizers contract for independent security services other than City staff, whether remuneration is exchanged or not, the contractor must obtain, maintain and provide evidence of Comprehensive General Liability insurance which includes:

- A limit of \$2,000,000 per occurrence;
- The permit holder and The City of Toronto as additional insureds;
- The insurer will mail to the additional insureds a written notice of any material change in, or cancellation of, the policy;
- A cross liability/severability clause;

- Coverage for bodily injury resulting from the use of reasonable force to protect persons or property.

The company providing security services will also provide the names and qualifications of their personnel expected to be on Nathan Phillips Square, including an assurance that they have received Occupational Health and Safety training, to the Supervisor Buildings Security, Central Portfolio. In addition, the company will provide an acknowledgement that the Commissioner of Corporate Services or designate is the ultimate authority on Nathan Phillips Square. All information should be sent to Supervisor Buildings Security, Central Portfolio, Main Floor, City Hall, 100 Queen Street West, Toronto, Ontario, M5H 2N2.

Nothing in this policy should be used to preclude the presence of any law enforcement officer whatsoever, who may be required for public safety or the personal safety of any elected official, visiting dignitary or for the protection of any public or private property.

A copy of this policy is included in the application package sent to all persons wishing to stage an event on Nathan Phillips Square.
