

TORONTO Parks, Forestry & Recreation

Parks, Forestry & Recreation contributes to Toronto's quality of life through stewardship of the environment; by promoting and enhancing the social and physical development of children and youth; and by leading the way to lifelong active living for residents of Toronto through a wide variety of leisure and recreational opportunities that welcome everyone. The division is also responsible for community development, parks, horticulture and forestry programs, park and open space planning and environmental initiatives. The division manages and maintains facilities and operates specialized services, including the ferries, golf courses, waterfront and regional parks systems.
