Information Access

Please find enclosed a cheque for \$10.

Clarification about the viewing (or CD copy or link) of the film I requested:

We are told that the film shows a young child having almost drowned vomiting. The kid shown as having almost drowned may have been one of the trainers' children.

We have heard that the film also details the death of a child at a beach in B.C. The lifeguard that was on duty that day is interviewed.
